Service sire reference:

Teiglum Wise Guy: this ram was bought at Kelso in 2016 for £6,400. He is a big sheep with a stylish white head, full of breed character, with a tremendous width of body throughout, and he has a leg in each corner, with a real tight skin, without being overly bare, and can be best described as a real breeders sheep, whose lambs are turning out just like himself.

Langside: also bought at Kelso in 2016. He was probably one of the longest and tallest sheep there and was bought specifically for the shearling job. He is a tight coated sheep and has exceptional large gigots for his length, and his lambs are growing into really big sheep.

Service sire reference:

Teiglum Wise Guy: this ram was bought at Kelso in 2016 for £6,400. He is a big sheep with a stylish white head, full of breed character, with a tremendous width of body throughout, and he has a leg in each corner, with a real tight skin, without being overly bare, and can be best described as a real breeders sheep, whose lambs are turning out just like himself.

Langside: also bought at Kelso in 2016. He was probably one of the longest and tallest sheep there and was bought specifically for the shearling job. He is a tight coated sheep and has exceptional large gigots for his length, and his lambs are growing into really big sheep.
